CONGRATULATIONS TO ALL FOR A GREAT JOB!

The Atlanta Journal-Constitution and ajcjobs are pleased to present the nominees* for the eighth annual Celebrating Nurses Awards. These nurses went above and beyond the call of duty to make a significant impact on their patients. As a way to honor them, patients, colleagues, friends and family members were invited to nominate their special nurses.

*Nominations were taken from former patients, colleagues and friends, therefore the spelling of each name may not be correct. The Atlanta Journal-Constitution has attempted to correct misspellings, when possible.
