'Autumn Purple' White Ash  
Kentucky Coffeetree  
'Autumn Gold' Ginkgo

Trees that Resist Ice Damage

(as a general rule, trees with horizontal branches or those trained to have well spaced and short limbs will sustain less damage than those with narrow branch angles and long limbs. Here are some examples of good prospects.)

Bald Cypress	White Oak
Sweetgum	Bur Oak
'Caddo' Sugar Maple	Shantung Maple
Crabapples	White Ash
Osage Orange	Honey Locust
Tulip Tree	Kentucky Coffee Tree

# Allan's List of Trees for Oklahoma

Dear Gardening Friend,  
I hope this list is of assistance as you shop for new additions to your landscape this year. For more information about these plants stop by your local landscape nursery or garden center. And tune into the Gardening Show, Saturday mornings on

**FM 102.3 and AM 740**

**NEWSTALK KRMG!**

Allan Storjohann
