15 INITIAL INCIDENT DESCRIPTION / NARRATIVE:

{On the date and time listed, I was working as the uniformed school resource officer as unit 448. My assignment was and is Garfield HS located at 400 23rd Av Seattle Wa. 98122.

I was notified by ~~XXXXXX~~ of the following text messages that had been sent out. It is unknown at this time, who sent the messages. These messages are of racial content and appear to refer negatively to the African Americans who attend Garfield HS, The schools basketball players as well as an African American Referee. Copies of the messages were emailed to me and I printed them out so that they may be placed into evidence.

I also kept the email so that it could be referred to if needed.

There are a total of 10 pages of messages. They range from photo's of the 3 African American basketball players from Garfield HS and 1 African American Referee, The text under the photo states "one a nigga two a

nigga three a nigga 4. My names [REDACTED] and I'm gonna score". To a photo of a female African American student from GHS next to a photo of Chewbacca, the star wars character.

The rest were text messages copied and they state, "checkmate was when Abraham Lincoln made the mistake of freeing you" and "no actually just my insults are to complicated for your primitive mind to understand.", "Primitive because you're a monkey" and "shut up bush boogie"

I was not familiar with the term "bush boogie" so I googled it. The definition came from what is called the urban dictionary. It says that a bush boogie is a nigger in the bushes.

It is believed that the suspect(s) are students of Issaquah HS. This is due to the term used by a group calling themselves IsaquahRefs, ISSYBROS and IHS Bros.
