

Performance Factors:

1) Job Knowledge/Skills

X

To what extent does the employee maintain a satisfactory level of job knowledge and job skills?

Comments: He keeps updated on all aspects of medicine. He has dropped the consult rate to low numbers thus keeping Pulaski below budget .

2) Quality of Work

X

To what extent does the employee's work meet the required quality standards, i.e., accuracy, neatness and thoroughness?

Comments: He is very through in his assessments of the inmates in regards to Chronic Care.
