On Tuesday morning, in the parking lot of East Coweta High School before the start of class, a photo was taken of a student who appeared wearing a KKK-style hood and a Confederate-style flag. The photo was posted on social media. The photo came to the high school administration's attention during the school day. The two students who were involved were identified and an immediate investigation was conducted. From the school's investigation, it was determined that no specific threat was made in the incident. The school system is continuing to investigate the matter, and is implementing disciplinary consequences.
